

Fracture Liaison Service Database (FLS-DB) annual report 2025 Errata

Update: 31 January 2025

Version 2 of *You've had a fracture; how can we prevent another?* was published on 31 January 2025, following its original publication date of 9 January 2025. The updated version has had corrections made to the following:

1. The caseload key for the map (Fig 2) under 'Indices of multiple deprivation' on page 9 was amended from:

- 72
- 2,000
- 4,000
- 6,959

To the following:

- 72
- 500
- 1,000
- 2,500
- 5,000
- 6,959

2. The description for Fig 2 on page 9 was amended to provide more detail. From:
'Fig 2: Map of England and Wales showing expected size of local fragility fracture population and achievement of case identification in 2023'

To:

'Fig 2: Map of England and Wales showing expected size of local fragility fracture population and achievement of case identification in 2023. View a larger copy of this map in appendix B. The sizes of the dots will vary according to the figures for each area.'
