

# Diploma in Global Health

## Resource materials

---

Candidates wishing to take the Diploma in Global Health (DGH) are advised in the first instance to use the [DGH blueprint](#) to help guide their preparation for the examination.

The following resources, whilst not mandatory, may assist candidates with their preparation for the DGH:

- > Oxford Handbook of Public Health 4th Edition
- > Oxford Handbook of Tropical Medicine 5th Edition
- > Textbook of Global Health 4th Edition
- > The Sphere Handbook 2018
- > [World Health Organisation Guidelines for HIV](#)
- > [World Health Organisation Guidelines for Malaria](#)
- > [World Health Organisation Guidelines for Tuberculosis](#)
- > [World Health Organisation Refugee and Migrant Health Toolkit](#)

Please note the Royal College of Physicians does not endorse any revision or preparation course aimed at candidates wishing to take the DGH. The eligibility criteria for candidates can be found on the [DGH website](#).
